Cancellation Policy for MHFA Basic Course

This is to state that Bridges Health reserves the rights to cancel a scheduled course within 7 days of the date of commencement. You, (the participant), will have the right to choose a) a full refund of payment for the course you were registered in b) to register for the next available course with the payment that was previously submitted.

If you (the participant) are unable to attend the course or need to cancel your registration within ten days of the course commencement, there will **be no refund of payment**. You may register for the next available course without penalty.

Should you require additional information about the workshop please call:
